

Background presentation on the Coordination Platform for Energy Efficiency in MSME sector

3rd Coordination Committee Meeting
23rd September 2010

Venue:
TERI, New Delhi

Outline

Update on

- Background, objectives, vision & mission
- Core Committee & members
- Activities for the year 2010

Inputs required on

- Finalizing name for the platform website & newsletter
- Contents of newsletter & website

Background

- Energy efficiency has become a crucial aspect of growth of MSMEs
 - Many organizations are working in this area
 - Need to set-up a mechanism to ensure that information & knowledge gathered by various organizations are shared for the benefit of the MSME sector
- 

Background – Contd.

- ☞ Meeting held in January 2009 in World Bank
 - Need for coordinating on energy efficiency projects in SMEs was felt
- ☞ 1st Coordination Committee Meeting held in March 2009 at BEE
- ☞ 2nd Coordination Committee Meeting held in November 2009 during the BEE-UNIDO workshop
- ☞ Coordination Committee meetings chaired by DG, BEE
- ☞ Secretariat of the platform established at TERI with support from SDC

Objective

- To provide a platform for coordinating activities being undertaken by various agencies working in the MSME sector for sharing of knowledge/ experience/ learnings & synergizing of efforts in the field of energy efficiency
- 

Vision & Mission

- ✦ **Vision:** A robust & competitive MSME sector built on strong foundations of knowledge & capabilities in the development, application & promotion of energy-efficient and environment-friendly technologies
 - ✦ **Mission:** Coordinating & synergizing the knowledge, capabilities & resources of different specialized agencies and institutions so as to maximize their effectiveness in bringing about the adoption of sustainable energy efficient technologies & practices in the Indian MSME sector
- 

Activities

- ☛ Organisation of coordination meetings & follow-up
 - ☛ Knowledge sharing activities like newsletter, website etc
 - ☛ Provide inputs to BEE for organization of annual conference
- 

Operational aspects

- ☞ Formation of a Core Committee
- ☞ Role
 - To provide key inputs to the Secretariat during formation and development & give direction and advice
- ☞ CC consists of senior members from
 - Bureau of Energy Efficiency (BEE)
 - Swiss Agency for Development and Cooperation (SDC)
 - Ministry of Micro, Small and Medium Enterprises (MoMSME) [Confirmation awaited]
